

Parco della Gallinara
CAMPING & VILLAGE

Dear Guests,

In welcoming you to the Parco della Gallinara Camping Village, the Management invites you to read these Regulations as they are an integral part of the camping seasonal tourist contract.

The rules listed below are intended to create the best conditions for a respectful coexistence within the Camping Village, whose entry constitutes unconditional acceptance.

ENTRANCE TO THE CAMPING VILLAGE

1. For Public Safety provisions, upon arrival it is mandatory to carry out the Check-in procedures by providing an identity document of each member of the crew who will stay in the Camping Village for the summer season 2022. The composition of the crew, once the check-in procedures have been completed, can no longer be changed. The Crew Chief, holder of the registration, is personally and criminally liable for the omission of such registration.
2. At the end of the registration and payment procedures for the entire annual fee, you will be provided with pass bracelets valid as a personal document and will be used for identification checks by our staff. For this reason it is strictly forbidden to exchange and / or give the bracelet to third parties. In the event of this circumstance, the Crew Chief will have to pay the amount of € 100.00 as a penalty and the Management reserves the right to terminate the Camping Contract. The bracelets allow access to the gates of the campsite. In case of loss it will be possible to request a copy at the Reception at the price of € 5.00.
3. The annual rental fee (see the current price list) is calculated on the basis of a standard crew of 4 people. A maximum of 3 additional people can be added to the crew and each additional member will have to pay an extra fee of € 200.00 (two hundred / 00 euros). For children under the age of 3, who do not compete to form the maximum number of crew (7 people), no payment will be due.

GUESTS VISITORS

4. Campers can host day or overnight guests by sending a request by email to: reservation@parcodellagallinara.com specifying the date , duration of the stay as well as name, last name, the licence plate of the guests. We remind you that passes shall be paid no later than the opening hours of the Fast Cash office displayed at the Reception. In the event that the guest arrives after closing time, they can collect the pass at the security guard if previously booked and paid for. **WITHOUT A PASS IT WILL NOT BE POSSIBLE TO ACCESS THE STRUCTURE.** We also remind you that campers are responsible for the behavior of their guests and must ensure that they hold a regular pass.
5. **OVERNIGHT VISITORS:** Guests staying overnight must carry out the check-in procedures, showing a valid identity document, pay (as per the Price List) the stay, parking and tourist tax. A bracelet will be issued, which must be returned at the time of check out scheduled for 12:00 on the day of departure. In case of irregular check out , including non returning the pass, the crew chief will be charged the next nights as per price list. In case of a pet, the cost is € 3.00 per day. In compliance with the provisions of art. 109 of the TULP (Consolidated Law on Public Safety), minors can access the campsite with a valid identification document in addition to the authorization signed by both parents, together with a copy of an identification document of the latter, or accompanied by adults who are the legal responsible.

6. DAILY VISITORS: Access allowed from 08:00 to 23:30, upon registration and payment as per the price list. A pass will be issued which must be returned to the control staff at the exit. In case of non-return, the cost of the overnight stay will be charged to the Crew Chief until the return of the same. In the case of a pet, the cost is € 3.00 per day.

We remind you that after 6:00 pm you will pay only for the parking. No pass will be issued and the tax receipt issued by the Fast Cash office will be valid.

7. It will not be possible to accommodate guests if the crew is full. We remind you that the number of people making up the crew shall not change and any overnight guests may not exceed the allowed number of 7 people. Given that it is absolutely forbidden to sublease and / or give the pitch on loan for use, no guest will be able to access it unless at least one adult member of the crew is present.

8. The access and presence in the Camping Village of persons not authorized by the Management involves:

- Violation of the Public Safety Regulations;
- Violation of Art. 633 C.P. (invasion of land and buildings);
- Violation of Art. 624 C.P. (theft of services);
- Crime of contractual fraud.

9. The presence of unregistered visitors will result in the immediate termination of the contract by law, pursuant to Article 1456 of the Italian Civil Code and the application of the provisions of the previous point.

10. For each pitch, a maximum of 3 plates might be registered. Further vehicles will be regulated as per the specific price list.

THE PAYMENTS:

11. The payment of the entire rent, including the deposit / storage fee and the seasonal tourist camping contract, must be made before entering the Structure, paying the deposit by 20 December 2021 and the balance by 20 March 2022, as indicated by the Company. In the event of a bank transfer, the ordering value date expressed on the accountant will prevail. IT WILL NOT BE POSSIBLE TO DO CHECK-IN IN THE LACK OF THE BALANCE OF THE SEASON OR IN CASE OF SLOPES FROM PREVIOUS YEARS.

12. As per the Municipal Regulations, the payment of the Tourist Tax is due. The rate will be flat rate according to the regulations in force.

13. The sale of any structure owned by the Campers or passage of a pitch must be communicated to the Management which reserves the right to allow or deny the entry of a new customer and / or to confirm the possible availability of the same pitch.

14. The camper who does not intend to renew the seasonal tourist camping contract for the following season is required to communicate it within the peremptory deadline of September 30th and to remove his / her caravan with annexes by December 31st. If the camper, with his structure, occupies the pitch after this date, without communicating the intention not to renew the contract, the same will be automatically renewed for the new season. The camper will be required to pay the entire annual fee for storage and for the seasonal tourist camping contract, to the extent indicated by the Company. In the case of payment of

the storage only, it is not allowed to access the Camping Structure, but only the Crew Chief will be able to enter his pitch by feet and for a maximum duration of 30 minutes from Mon to Fri excluding holidays.

15. Contract renewal does not constitute a pre-assignment for the pitch. Ginestre Village S.r.l. reserves the right, at its sole discretion, to choose and modify the pitches on which to place the crews.

PETS

16. It is mandatory to report the presence of pets at the time of check-in and to pay the fee of € 50.00 for each animal. They will be admitted only and exclusively upon presentation of the health card. A maximum of 2 pets are allowed per crew. Other pets are allowed only at the discretion of the Management and in compliance with any applicable legislation. Hiding the presence of a pet will result in the Company sending the warning letter with consequent provision.

17. All animals must be kept in such a way as not to cause disturbance or damage to other people or things. Their owners will be responsible for any damage to people or things.

18. It is forbidden to shower animals inside the toilets.

19. Owners shall accompany their dog to the Dog Area for manure and shall remove it immediately.

20. The access of pets in the authorized areas is allowed only if they have a muzzle.

FEW RULES TO RESPECT

21. Inside the Camping Village there are special pillars that show the pitch number and delimit the space (max 100 square meters), where this is not already defined by the pine trees. It is strictly forbidden to occupy more space. Only in exceptional cases, assessed from time to time at the sole discretion of the Management, will it be possible to increase the surface area of the pitch at an extra annual fee of € 25.00 per square meter. The pitches cannot be occupied with structures other than those authorized in writing by the Management.

22. For the execution on one's own structure and / or pitch of works that exceed the ordinary administration (Installation, Pre-entrance, Kitchenette, Gazebo, Flooring, Fence, etc.) it is mandatory to provide written communication to the Management with a minimum notice 20 days, by sending an e-mail to: amministrazione@parcodellagallinara.com. The Management will evaluate the intervention and, where authorized, will provide the specific methods of execution. Ordinary maintenance work on the campers' facilities can be carried out in the months of April and May, from 09.00 to 13.00 and from 16.00 to 19.00 every day, Saturday and Sunday included. From the second Sunday of May until the second Friday of June, noisy works can be carried out from 09.00 to 13.00 and from 16.00 to 19.00, excluding Saturdays and Sundays. 29. It is allowed to pave no more than 18 square meters of pitch by laying the bricks directly on the ground without the aid of sand or other materials.

30. The campers and caravans with their towing vehicles must be in compliance with the legal regulations on road traffic, liability insurance and fire and with the provisions issued by the customs and tax authorities, the users remaining fully responsible in this regard.

31. For any extraordinary maintenance work, the written authorization of the Management is required. The staff of the Camping Village is expressly authorized to immediately remove, without notice, any installation contrary to these Regulations.

32. The supply of electricity to the pitches is of 1.5 kw. Each customer must use the socket corresponding to the assigned pitch. Any unauthorized connection or tampering with the sockets is a crime punishable under Article 624 of the Criminal Code. Any transgressor will be reported to the competent authorities and will be deemed to be in breach of the contractual obligations assumed, with possible termination of the Camping contract.

33. The staff of the Camping Village is expressly authorized to immediately detach, without notice, any cable and / or other instrument affixed in violation of the preceding paragraph.

34. Anyone tampering with or causing damage to a column will have to bear the cost of the repair, prepared and managed by the Camping Village. Where it is not possible to identify the Manager, the cost will be divided among all users connected to the same column.

35. In accordance with the law, to avoid waste of electricity, the following provisions must be observed:

- the lighting lamps must be of the LED type, watertight, with ground drainage, not exceeding a height of 60 cm. Up to a maximum of 4 light points per pitch and 1 light point per veranda are allowed;

- the use of only one refrigerator is allowed and other appliances powered by electricity are prohibited;

- the lamps used to illuminate verandas and pitches must be turned off when there are no people on the pitch, during the night and during the day.

36. Any work consisting of cemented or dry stone walls will be immediately removed at the expense of the camper who will also have to bear the cost of sending the resulting material to the landfill. It is absolutely forbidden to place any electrical, plumbing and / or radio and television system on the trees. It is forbidden to lay cables and electrical wires between one tree and another. These installations will be immediately removed by the Camping Village staff and taken to the landfill at the expense of the camper.
